

 Otology
update
2025

Dear colleague, dear participant:

Thank you so much for your interest in our Otology Update Course 2025, March 4-7

This course offers temporal bone dissection, live surgeries and lectures. Well-known guest surgeons and in house surgeons perform the entire range of ear surgeries and give lectures on various topics. Each participant has the opportunity to work on two temporal bones (halfheads) in the anatomy rooms including instruction.
